The Cooperative Book Display (CBD) is a low-cost option for authors and/or publishers to display titles at the exhibit hall without the cost of renting booth space. MESA will place the books on display along with your fliers with information on how to order the book.

To place an order to include your titles or items in the Cooperative Book Display, complete this form and submit payment by October 1, 2025. One copy of each title is needed for display and becomes the property of MESA. Please also include the fliers with information on placing orders.

The address to send materials will be available by September 1; you may also deliver the materials onsite between 9:00 am-12:00pm on November 22, 2025. We cannot accept shipments sent directly to the Westin.
