## Mailing Lists

MESA provides lists in MS Excel. **Rental is for one-time use only.** MESA can isolate the membership database to produce labels of members in a particular discipline and/or area of focus and/or geographical area. For new customers, a sample needs prior approval prior to rental. **MESA does not rent e-mail addresses of its members.**

### List Options

- Entire individual membership (1800-2500 names)  
Cost = \$200
- North America membership (1200-2000 names)  
Cost = \$175
- Outside North America (300-600 names)  
Cost = \$75
- Specialty List  
Cost = \$.15/name + \$25 specialty list fee

**Complete Page 2** to select the criteria from these fields: Category (full, student, associate), Country (US, Canada, and/or all other countries), and from the lists of disciplines, sub-areas, and geographical areas.
